Hello Nechako Kindergarten Parents,

May 16 ,2019

Please note that this is a schedule that will help with the transition to full day Kindergarten. It is important that we transition carefully to allow the children to easily adjust to their new school routines. Please note that the **Kindergarten school supply fee is \$50** and will cover all the supplies your child will need throughout the year as well as any transportation costs for field trips. The Kindergarten teachers have purchased all of the school supply items needed for the beginning of the year. This fee will be collected when you attend your conference in September or as soon as possible afterwards. If you have any question please call the school. Thank you.

September Transition Schedule for Full Day Kindergarten:

Tuesday, Sept 3th

- no school for all students -District In Service Day

Wednesday, Sept 4th - Friday, Sept 6th

- **individual student and parent conferences** (please make sure to attend your scheduled conference as this is an important time for the teacher to gather essential information about your child.)

- afternoon interviews may take place for some on these days
